

Traditional culture experience program for foreign visitors

# JAPANESE DANCE WORKSHOP

Cultural Olympiad  
TOKYO 2020  
Support Programme

We organize accessible short programs that offer foreign visitors and others the opportunity to gain authentic first-hand experience of traditional culture and performing arts.

## Try on a yukata and experience Nihon Buyo

Nihon Buyo is a type of traditional Japanese dance that has a history of nearly 400 years. It is characterized by uniquely Japanese qualities of elegance and grace. Why don't you try on a yukata and our danceworkshop?

You can wear a yukata and learn how to dance in this workshop. A yukata is traditional costume but easy to put on, unlike a kimono. We will provide the yukata and tabi (special split-toe socks). In addition, we hope you will enjoy "Fujimusume", which is the authentic and well-known Japanese dance.
