Traditional culture
experience program for
foreign visitors

Experience traditional arts blooming in the Edo period at the museum.

Participants can experience techniques used in a variety of performances (“kyokugei” traditional acrobatics, “kamikiri” paper cutting, and “wazuma” traditional Japanese magic) which are still popular at vaudeville shows today, with demonstrations by professional people. It also includes experience of the skillful techniques used in the auspicious art of umbrella rotating, paper craft in which simple shapes are created using only paper and scissors, and magic which has been performed since the Edo period.
